EFOY ProCabinet for stationary applications in remote regions. The EFOY ProCabinet is a standardized hybrid power solution fully integrated in a NEMA 3R weatherproof enclosure. The power supply includes up to two EFOY Pro 800 Duo or EFOY Pro 2400 Duo fuel cells, four M28 fuel cartridges and based on customer needs solar panels, solar charger and batteries.

NEW: EFOY Pro 4120SX Cabinet: More space for your equipment with the extended cabinet.

- High reliability & low maintenance
- Easy installation
- Long autonomy
- Solar hybrid compatible
